Meeting & Event Space

**BEDFORD
HOTEL**

The Wendy House is a self-contained events venue with chic interiors and furnishings inspired by the hotel’s beautiful garden, the purpose-built space was designed with the aim of bringing elements of the outdoors indoors. All the while, maximising the views out the ceiling to floor glass doors on to the garden with its ornamental water features.

This creates the perfect dual setting for special occasions such as a small intimate wedding reception, summer parties, barbeques, workshops or bespoke private dining.

The Acer Room is an impeccably furnished meeting room and has the capability to hold boardroom style meetings or private sit-down dinners. With 24.5 square metres of bright, airy space, the Acer Room was named after the beautiful Acer tree planted in the hotel’s garden. The room features neutral décor with just a pop of colour plus plenty of natural light and leafy views via room length windows.

We have a range of fully customisable and bespoke packages from canapes to bowl food and sit-down lunches available in all spaces.
